

## MCDS MUSIC CLINIC 2010-2011

Dear Parents:

This summer 2010, MCDS will again offer a program for instrumentalists who are interested in playing in the middle school band or orchestra.

We are offering this clinic specifically to incoming 5th graders and returning 6th graders who are planning on enrolling in the MCDS band or orchestra and are looking to learn basic technique and sharpen their skills prior to the excitement of the new school year.

This three-day clinic will provide students the opportunity to receive instruction in private lessons, master classes (specific instrument performance class), and a small ensemble setting.

### INSTRUMENTS:

Trumpet, trombone, flute, clarinet, oboe, saxophone, clarinet guitar, drum set/percussion, piano.

### CLINIC DATES & TIMES:

Tuesday-Thursday, August 3-5  
Hours: 9:00 a.m. -12:00 p.m.

### ADMISSION, FEES & REQUIREMENTS:

THERE IS NO COST FOR THIS CLINIC (students must be enrolled at MCDS for the 2010-2011 school year)

Students playing any instrument besides piano must obtain their instruments (through leasing or other means) prior to the start of the music camp. This can be done through Ward-Brodt Music (661-8600) or Drums N Moore (222-3786).

Students will be expected to bring their own small snack for the morning break. Lunch and/or breakfast will not be provided.

If your child will be attending this clinic, please complete the following registration questions and email a response to Mr. Schipper at [jschipper@madisoncountryday.org](mailto:jschipper@madisoncountryday.org)

1. Name of student, grade level
2. Name of instrument being played
3. Emergency contact information (Phone #)
4. Food allergy and/or medical conditions

We look forward to a fun and educational experience!

MCDS Music Department
